

**Lyman Moore Middle School
MLTI iBook Laptop Insurance Coverage
2006-2007 School Year**

Lyman Moore Middle School provides an insurance option for Apple iBook computers. This insurance covers the laptops for school and home use. The cost of the annual premium is \$25.00 (\$40 for family with more than two students at Lyman Moore.) This coverage will cover from the date the premium is paid until the end of the school year.

The insurance policy covers theft, fire, power surge, natural disasters, and accidental (non-negligent) damage both at home and in school. The insurance will cover all parts of the laptop except for the LCD screen. Damage to the LCD screen is partially covered and subject to a \$200 deductible.

Damage due to negligence and willful destruction are not covered by this policy. In such cases, repairs will be the sole responsibility of the students' parents/guardians. The administration, in consultation with student, teachers, technology staff and parents, will determine if the damage is not covered.
